Swachh Shramadhana – Swachh Campus

“Our Campus. Our Responsibility. Our Pride.”

The NSS unit of Bishop Cotton Women’s Christian College organised Swachh Shramadhana – Swachh Campus on 21st August 2026 in the College Campus. The programme aimed to promote cleanliness, environmental responsibility and teamwork among students.

The cleanliness drive was conducted after the college cultural fest, as the campus required cleaning and proper waste management. NSS volunteers and Eco Watch Club members actively cleaned the campus and restored the surroundings to a neat and hygienic condition.

The volunteers collected waste, cleaned common areas and encouraged students to use dustbins properly and avoid littering. The activity highlighted the importance of maintaining cleanliness even after large college events.

The programme also promoted teamwork, unity and environmental responsibility among the participants. Through their collective efforts, the volunteers showed that small actions can create a positive impact on the campus.

The programme concluded with the message “Small Effort, Big Impact!”, encouraging students to take responsibility for maintaining a clean, green and beautiful campus.

No. of Participants: 25
