VISHWAMANAVA YUVA VEDIKE –10TH STATE LEVEL SEMINAR

No. of Particpants:15

The NSS volunteers participated in the 10th State Level Seminar on the topic "Transformation for the Nation – India's Development through Individual Contribution" on 14th August 2026 at Sir Puttannachetty Town Hall, Bengaluru.

The seminar was organized by Vishwamanava Yuva Vedike and Queen's Global Management Solutions. The programme focused on the role of individuals in the development of our country and how every citizen can contribute towards building a better nation.

The seminar helped students understand the importance of individual responsibility, social service and active participation in society. It also encouraged young people to take responsibility and contribute to the growth and development of India.

Also the participated students received a certificate of participation for attending the seminar.

Outcomes:

- Students gained knowledge about nation building.

- Understood the importance of individual contribution.

- Learned about social responsibility.

- Got motivated chanto contribute towards society.

Overall, the seminar was a good learning experience for the students. The participation and certificate encouraged them to take part in more such programmes in the future.
