Easter celebration

EVENT DETAILS

Date : 2 April 2026

The Student Council in association with the Iconic worship team, Bangalore, organized a pre-Easter program for all students of the college. The main purpose of the event was to deliver a message about 'The true reason behind Easter'.

The event was lead with an introduction of the worship team by Ms.Sanjana, the President. The worship team began it with a prayer and lead the congregation in praising God, enabling them to express praise, adoration and confession to God. There were a lot of enthusiastic gospel songs that were sung with actions to encourage the students to connect with the worship team. The students came forward, sang and danced with great joy. There were testimonies shared.

The team continued the worship with heart- touching songs. The songs helped the students to deeply connect with God, understand that Christ died for them, that he rose from death, and that this was the true meaning of Easter. The worship team came down and prayed for the students individually to make sure that they connected personally with God. The event ended with praises to magnify God, and conclusively moved the students' hearts and made the realize that 'God loves them deeply'. Almost 54 students participated in the service which aimed to lead people from daily life into a dedicated time of worship.
