Each class steps into the boulevard to recreate iconic cinematic moments and present their own blockbuster interpretation, competing together for the crown with confidence, coordination and imagination.

The event was organized by the student council and the student welfare committee to create a platform for the students to showcase their talents in the campus. The event was conducted in a span of three days.

The first day included all the literary events like creative writing, poetry, pick and speak and association wars where students from various streams and clubs showcased their impressive vocabulary talents and the top three winners from each event were finalized by the judges.

The second day covered the events which involved motor and creative skills, the events were drawing and painting, mehendi, face painting, mandala art and digital poster making. The arts were filled with vibrant colors and amazing skills which were later judged to finalize the top three.

The final day included cultural events, which were, solo singing, solo dance, group dance and fashion walk. The students performed with great passion and enthusiasm with exquisite cinematic costumes which made it really difficult for the judges to decide.

After the cultural events, on the same day was the valedictory ceremony. Top three winners from each event were awarded, and along with it the award for best dressed student, best dressed class and the overall winner class was also awarded.
