PARENT ORIENTATION 2026-2027

An orientation program was organized exclusively for the parents of the incoming 2026–2027 batch on 8th July 2026. The event commenced with a welcome address by Dr. Chaya Anilkumar, Head of the Department of Journalism. Principal Mrs. Sunila Kumari addressed the gathering, emphasizing the unique necessity of a dedicated parents' orientation. She highlighted parents as vital stakeholders in their daughters' progress and reiterated the institution's commitment to fostering a strong, collaborative relationship between management, faculty, and families.

The keynote session featured Guest Speaker Dr. Kiran Jeevan, Principal, United Mission Degree College, who engaged the audience in an interactive discussion. Dr. Jeevan advised parents to actively listen to, guide, and support their wards while maintaining a peaceful home environment. He emphasized that college extends far beyond earning a degree, urging parents to encourage extracurricular participation, stressing the critical importance of mental well-being, learning to navigate failure and developing strong discernment. He concluded by highlighting that college education is the foundation for women's financial autonomy, promising that the institution would empower their daughters with both strength and character.

The program concluded with an instructional overview of the Linways portal by Mrs. Jenifer Soniya (Faculty, Department of Commerce), followed by a formal vote of thanks delivered by Dr. Saadia (Faculty, Department of Commerce). Around 200 parents attended the orientation program.
