NSS -DIWALI CELEBRATION AT YWCA SCHOOL

No. of Participants: 40

The NSS Unit of Bishop Cotton Women's Christian College organized a Diwali Celebration on 12th November at YWCA School. The main objective of the programme was to spread happiness, share the joy of the festival, and create awareness about celebrating Diwali in an eco-friendly way.

As part of the celebration, NSS volunteers encouraged the children to paint diyas. Through this activity, the volunteers explained that festivals can be celebrated in creative and environmentally friendly ways instead of depending on activities that cause pollution. The children actively participated and displayed their creativity through beautiful diya paintings.

The volunteers also organized fun games for the children, making the celebration more enjoyable and interactive. As a token of love, sweets and stationery items were distributed to the children. This brought smiles to their faces and made the occasion more special.

The volunteers also encouraged the children to understand the importance of protecting nature while celebrating festivals. The activities provided a joyful learning experience and helped the children understand that even small creative efforts can make celebrations meaningful and environmentally friendly.
