DATE: 20th DECEMBER 2023

TOPIC: UNDERTANDING RESEARCH PROCESS

SPEAKER: Dr. PREEETHI GARG PROFRSSOR PES UNIVERSITY ANGALORE PREPARED BY: Dr. NARASIMHAN K

PRESENTARION ON UNDERSTANDING RESEARCH PROCESS

The guest lecture on "Understanding Research Process" was a highly informative and engaging session. The speaker Dr. Preethi Garg, provided valuable insights into the research process, highlighting its importance in various fields.

Key Takeaways:

1. Research Definition: The speaker defined research as a systematic investigation into a subject or problem to discover facts, theories, and applications.

2. Research Process: The research process involves several stages, including problem identification, literature review, research design, data collection, data analysis, and interpretation.

3. Types of Research: The speaker discussed various types of research, including qualitative, quantitative, and mixed-methods research.

4. Research Ethics: The importance of research ethics was emphasized, highlighting the need for informed consent, confidentiality, and anonymity.

Speaker's Expertise:

The guest lecturer's expertise in the field of research was evident throughout the presentation. Their ability to explain complex concepts in a simple and concise manner made the session highly engaging.

Audience Engagement:

The audience, comprising 16 students and 2 faculty members, actively participated in the session, asking relevant questions and engaging in discussions.

Conclusion:

The guest lecture on "Understanding Research Process" was a valuable addition to our academic program. The speaker's expertise and engaging presentation style made the session informative and enjoyable. We look forward to hosting more such sessions in the future.

Recommendations:

- 1. Invite the guest lecturer for future sessions.
- 2. Organize more workshops and seminars on research-related topics.
- 3. Encourage students to participate in research projects and activities.

Overall, the guest lecture was a resounding success, providing valuable insights into the research process and inspiring students to pursue research in their respective fields.
