NSS-REPORT ON LAL BAGH SWACHH BHARAT DRIVE

Title: Lal Bagh Swachh Bharat Drive

Date: 10th to 12th August 2026

Time: 9:30am on wards

Venue: Lal Bagh, Bengaluru

Organized By: NSS Unit in collaboration with Eco watch club, Bishop Cotton Women's Christian College

Objectives

- To create awareness among public about the importance of cleanliness.
- To encourage students to protect and preserve the environment.
- To encourage teamwork and cooperation among NSS and Eco Watch Club students.
- To develop a sense of social responsibility among students.
- To promote the message of "Clean Today, Green Tomorrow.

The NSS Unit of Bishop Cotton Women's Christian College organized a three-day "Lal Bagh Swachh Bharat Drive" from 10th to 12th August 2026 at Lal Bagh, Bengaluru. The programme

was organized with the aim of creating awareness about cleanliness, environmental protection and the importance of maintaining public places.

The programme was conducted in connection with the spirit of Independence Day and the Swachh Bharat Mission. The NSS volunteers were joined by students from the Eco Watch Club, who collaborated with us throughout the programme. The participation of both groups helped us work together towards creating a cleaner and greener environment.

The three-day programme started at 9:30AM at Lal Bagh. The NSS volunteers and Eco Watch Club students gathered at the venue and were briefed about the activities and the importance of maintaining cleanliness in public places. The students participated actively in the cleanliness drive. They collected waste from different areas and helped keep the surroundings clean. The volunteers worked together in groups and made sure that the cleaning activities were carried out properly. Along with cleaning, the programme also helped students understand the importance of keeping public gardens and natural spaces free from waste. Students were encouraged to avoid littering and to be responsible while using public spaces.

BISHOP COTTON WOMEN'S CHRISTIAN COLLEGE

The collaboration between the NSS Unit and Eco Watch Club made the programme more interesting and effective. Students from both groups worked together, shared responsibilities and supported each other during the activities.

Student Participation

The students showed great enthusiasm throughout the three days. Everyone participated actively and worked as a team. The programme gave us an opportunity to learn that social service is not only about helping others but also about taking responsibility for our surroundings.

Working at Lal Bagh also helped students understand the importance of protecting green spaces. It was a good learning experience as we were able to contribute directly to the cleanliness of an important public place in Bengaluru.

Learning and Experience

The programme was a valuable experience for all the students who participated. We learnt the importance of teamwork, discipline, responsibility and environmental awareness.

The programme also strengthened the relationship between the NSS Unit and the Eco Watch Club through active collaboration and teamwork. By working together and taking responsibility for our surroundings, we can contribute towards a cleaner, greener and healthier society.

Outcome

- Created awareness among students and public about the importance of cleanliness and hygiene.
- Developed a sense of social and environmental responsibility among the volunteers.
- Improved teamwork and cooperation between the NSS Unit and Eco Watch Club.
- Developed leadership, discipline and active participation among NSS volunteers.
- Promoted the message of "**Swachh Bharat**" and environmental protection.
- The three-day drive provided students with a meaningful community service experience.
