

DEPARTMENT OF CHEMISTRY

Workshop conducted In the Year 2023 – 24

A workshop on the chemistry of soap and candle making was conducted on 20th June 2024 by Ms. Khushi Sagar N, an Alumni of Bishop Cotton Women's Christian College. The workshop was an approach for entrepreneurship in chemistry. An insight on chemical industries, marketing and processing of chemical items were given. The high need of chemists all over the world, information about the per capita income of chemists and the importance of studying chemistry was emphasized through the workshop. Around 30 students participated in the event.
