Suggestions from the Governing Council members with regard to the Internal Audit of the various Departments of our College for the year 2021-2022

1. The Rating of the teaching Staff by the Students is An open assessment towards progressive and Rightfu action.

   There are expectations in Sl no (1) to (12), that could b addressed and Satisfied with better understandeng Sl. Nos (13) to (19) need ore all improvement in the fiel of personnel, facilities, Sports, Cafetaria and cleanlines — from grade 3 - 4, especially the last two - Caffeteria & maintanance - cleanliness.

2. The faculty have already Spelled out the Specifi areas of advancement, provisions, Connectivity with top resources of education, interaction and practica on hand learning, motivation, exposure, as the priorities to be Considered.

   Encouraging research mindedness in Students And Staff would pave the way for publicahons and participatoin in National and International Conferances. It Should become mandatory for staff to Showcase the outline of research to Students. Definitely a jump from grade (3) to (5) is possible to achieve
